Our Why...

Our African constituency has grown from 2 million to 23 million in just 20 years. Africa's cities are growing at unprecedented rates. God is positioning his work on the continent of Africa to have obvious global impact.

The greatest challenge for the mission of Christ on the continent of Africa is raising up and equipping multiplying leaders.

- Of Africa's 1 Billion people, 847 million are spiritually lost and Africa is urbanizing at an astounding rate.
- Africa has **867 unreached people groups** — we've only engaged 34 of those groups.
- Of the 87,000 ministers & pastors of our fellowship — **50,000 of them have little or no training.**

Our Passion, Calling, & Assignment Focuses Upon These Three Things...

First, planting churches in urban Africa. Through Urban Tribes, a continental initiative to plant churches in every major urban center in Africa, we will raise up and equip pastors to plant and lead these churches and we will relocate to these cities to serve church plant teams by helping them develop divine strategies in establishing effective *disciple-making, multiplying, and missionary sending* churches.

Second, training and equipping African pastors and leaders. We are partnering with national and district leaders to strengthen pastors and existing churches.

Third, developing and lifting Africa's missionary leaders with a long-term aim to help them be focused, effective, and healthy over the duration of their ministry.

Our Partnership Challenge: \$12,500 per month | \$30k in cash | by December 31

About Us...

David and Donna Delp equip multiplying leaders for the effective advance of the gospel of Jesus Christ in Africa.

About 6 years ago, before they knew one another, they each experienced the untimely, unexpected, and sudden death of their spouses. This difficult journey of sorrow uniquely refined their trust in God.

David has been a ministry leader for over 37 years, as an executive and lead pastor, and for 24 years as an executive with the Assemblies of God focusing on equipping and developing pastoral leaders and churches. Donna previously served as a children's pastor, a radio host, a missionary, and as an officer with the U.S. State Department in South Africa and Nigeria.

God brought them together 4 years ago, and between them they have 6 children and 3 grandchildren.

David and Donna recently resigned their positions with the Indiana Assemblies of God and are responding to God's call to develop and equip African church and missionary leaders.
